Parents/Guardian of Cyber School Students,

This is just a reminder that your son/daughter must meet minimum daily requirements in order to receive attendance credit. Attendance credit in cyber is determined weekly so students can be flexible with their days and hours.

Students who do not meet the minimum daily requirements may be cited by the magistrate as these day are coded as unexcused absences. If your child has been ill during a given week or has had a medical appointment then an appropriate excuse needs to be submitted to me through the main office of the school the following week. The minimum daily attendance requirements are:

Monday-Friday:

- Log on for a minimum of 3 hours to receive attendance credit
- Complete a minimum of 15 activities needed to receive attendance credit.

In order for your son/daughter to receive full attendance credit for a regular five-day week, he/she must:

- Be logged into the system for at least 15 hours
- Complete 75 activities
- Four-day week- 12 hours & 60 activities minimum; three-day week -9- hours & 45 activities minimum, etc.

Please understand these requirements are set forth in terms of attendance and not academics. Students do need to remember that the minimum number of hours/activities needed for attendance credit will usually not be enough for a student to have adequate academic progress in each class. Your son/daughter should be competing 5-7 activities per class per day. **Your son/daughter may be falling behind academically if your child has not been logging into the system for additional time each week.** As always if there are any questions do not hesitate to call or text me directly.

Sincerely,

Mrs. Deborah A. Marshall, Principal (K-12)
