Dear Parent/Guardian:

Under the federal Every Student Succeeds Act, states are required to identify schools for support and improvement based on both schoolwide (Comprehensive Support and Improvement) and student group (Additional Targeted Support and Improvement) performance on a range of academic and student success measures.

Clairton MS/HS is one of roughly 200 schools statewide designated for Additional Targeted Support and Improvement. This designation is based on data suggesting the need to prioritize additional supports for our Economically Disadvantaged and African American student groups in the following areas: academic proficiency on state assessments, academic growth, and attendance. This designation will provide opportunities for our school to partner with stakeholders to identify our school community's most pressing needs, select strategies to support those needs, and work together to implement the selected strategies.

You can inform the improvement process at Clairton MS/HS in the following ways:

- Attend Title I Parent Information Meetings
- Participate via the Annual Parent Involvement Survey
- Join the School Improvement Team
- Attend parent conferences
- Ensure your child attends school everyday
- Monitor completion of student homework

If you would like more information, please feel free to contact Dr. Ginny Hunt, Superintendent, at 412-233-7090 EXT 2200 or Dr. John Wilkinson, Principal, at 412-233-9200 EXT. 1251.

Sincerely,

Ginny L. Hunt, Ed.D.
Superintendent
