

**2015-2016**  
**Clairton City School District**  
**Telephone Communication System**

The Clairton City School District utilizes a telephone communication system for the purposes of emergency information such as delays and closings or evacuations.

On occasion, the district would like to communicate with families regarding meetings as well as other useful, but non-emergency, information.

If you do not wish to receive these informative type of automated calls from Clairton City School District, please complete this form and return it immediately to your child's homeroom teacher.

\_\_\_\_\_ Please do not contact me with district **non-emergency information**.  
 Phone calls for Emergency Information will automatically continue.
